

2 YEARS FREE VA Medical Care

New Combat Veterans

You may be eligible for
FREE MEDICAL CARE
from VA for a **2-year**
period following your
separation from
military service.

You have **no copayment** during the **two-year** period after separating from military service if the VA finds that the veteran's medical illness:

- was made worse by or during service;
- did not exist before joining the service;
- started before leaving the service; or
- is clearly related to service, based on the VA clinician's judgment.
